

2. Treatment to the treatment standard. Treatment standards have yet to be published for the wastes covered in the 'California List'. Kettleman Hills will advise you upon their availability.

If you have any questions about CWMI's services or prices, please contact your Sales Representative or Customer Service Representative. We appreciate the business you bring to us. We continually work to improve our services to meet your needs and respond to changing regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Shulha", is written over the typed name.

Bill Shulha
Regional Sales Manager
